## Rory O'Shea Was Here

(Ireland, United Kingdom, 2004) **With** Brenda Fricker, James McAvoy and Steven Robertson.  
**Directed by** Damien O'Donnell (East is East). **Category:** Drama. **Length:** 1:44.

### Movie description:

An inspiring story of independence that follows two unlikely friends determined to face the world on their own terms. Young Michael (Steven Robertson) is a patient resigned to his quiet life with an institution's safe, predictable boundaries. Then, the rebellious Rory O'Shea (James McAvoy) bursts onto the scene. Now, with the help of the beautiful young Siobhan (Romola Garai), who signs on as the boys' live-in aid, Rory will show Michael what it takes to truly be free.

**Bring a bagged lunch and we will supply the drinks and popcorn.**
